

## Questions to ask your doctor when considering knee replacement

- Which pain relief options may work well for me?
- How much relief will non-surgical or surgical treatment options give me?
- Am I eligible for partial knee replacement?
- How is knee replacement done?
- What should I expect after the surgery?
- How much pain will I feel after surgery, and how is it managed?
- What are the risks or complications of knee replacement, or other treatment options?
- Will I have mobility restrictions? For how long?
- How long will I be in the hospital?
- How long before I can return to my normal activities?
- When will I be able to drive?
- Is knee replacement surgery covered by my insurance?
- Which company's joint replacement products would you use for me? Why?
- Will you be performing the surgery?
- How many knee replacements have you performed?
